Are you a skilled, reliable tradesperson who takes pride in getting jobs done properly?

Comfort Estates is looking for an experienced Multi-Skilled Maintenance Operative to join our busy in-house team, maintaining residential properties across Nottingham.
We're looking for someone who can turn their hand to most things, work efficiently and deliver consistently neat, high-quality repairs.

What we're looking for:

- A capable all-rounder with proven residential maintenance experience and practical skills across several trades, ideally joinery, plumbing, tiling or decorating.
- Quality and efficiency – someone who works at pace, takes pride in neat workmanship and aims to get repairs right first time.
- A natural problem-solver who can diagnose issues, use initiative and find practical solutions.
- Organised and tech-confident – able to manage a busy workload and use an iPad to update jobs, record notes and upload photographs.
- Reliable, trustworthy and professional – someone who treats residents and their homes with the utmost respect.
- A genuine team player who works well independently but is equally happy helping colleagues tackle larger jobs.
- A full UK driving licence is essential. Relevant trade qualifications are welcomed, but proven practical experience is just as important.

What we offer

- Regular, varied work across an established property portfolio.
- Company van, tools, equipment and uniform provided.
- A friendly, supportive team and organised office support.
- Opportunities to develop your skills and progress.
- Company pension and holiday entitlement.

Previously self-employed? This could be the perfect opportunity to enjoy a steady flow of work without the hassle of finding customers, chasing payments or running everything yourself.
Successful applicants will be invited to complete a one-week paid working trial with the team, subject to agreed terms.
